Please Note: Club Members who will be diving must purchase a Quarry Pass for all dive meetings held at Philips Outdoor Center.

Quarry Passes are \$15.00/person for a Day Pass, \$90.00 for a 3-Month Pass, or \$150.00 for an Annual Pass. All Quarry Passes can be purchased at Leaird's Underwater Service before each club meeting or members can pay at the quarry with correct change in cash.

Diving at Philips Quarry at any time that fits your schedule is allowed and encouraged. Take advantage of summer days, active fish, and warmer waters. You and your buddy just need to obtain a quarry pass, stop by the Dive Store for a gate key and go have fun!
